

# PARK ATTENDANCE

- Masks will be required for all visitors unless they have physical limitations which prevent wearing a mask or are under 2 years of age
- Only 2 Guardians plus immediate siblings allowed per player to attend events
- Attendance is limited to times when a player is either warming up or participating in a practice or game
- When the player's practice or game is over the family must leave the complex
- Dugouts and bleachers will be completely emptied in between practices and games, and frequently touched things such as handrails will be sanitized before players and parents for the next game enter
- Bleachers will have seating spots marked which will be six feet apart and every other row

## Snack Bar

- Lines will be marked with spots six feet apart when waiting both to order and pick up food
- Non food related duties such as game balls for umpires and merchandise sales will be moved out of the snack bar to a booth by Field 2 outfield
- Payment by credit card is highly encouraged

## Bathrooms

- Bathrooms will be limited to one occupant at a time
- Will be sanitized on a regular basis during the day
- Lines for the bathrooms will have designated spots six feet apart
- Water Fountain will be turned off

# PRACTICE GUIDELINES (PER L.A. COUNTY HEALTH DEPARTMENT GUIDELINES)

- Players must wear a mask at all times, including during drills. Masks may be removed for water breaks.
  - All Coaches must wear a mask at all times
  - Before beginning practice, coaches must have the parents of every player complete a checklist asking if they are experiencing Covid-19 symptoms
  - Drills should be organized in a manner to ensure six feet distance between players
  - Caches should utilize both dugouts to ensure social distancing during breaks
  - Likewise, spectators should utilize both bleachers to ensure social distancing
  - No High Fives or Handshakes
  - All players must use their own equipment. If a player does not have their own equipment the league can provide some gear
- Balls should be continuously rotated out with clean balls that have been disinfected
  - No sharing of water bottles. Players are highly encouraged to always have their own water bottle.
  - No food allowed in dugouts, including gum and sunflower seeds
